

Why be a NEHA Member?

- **National Advocacy:** NEHA serves as a voice on many policy, regulatory and legislative issues confronting the environmental health profession today.
- **Professional Development:**
 - Over 150 free online continuing education courses (CEU's)
 - Professional recognition and career advancement opportunities
 - Discount on 5 different standard of excellence credential programs
 - Program accreditation and evaluation
 - Webinars on the latest environmental health topics
- **Annual Educational Conference (AEC):** Nexus for environmental health training, education, networking and advancement.
- **Journal of Environmental Health (JEH):** A complete spectrum of environmental health topics published 10 times per year. Keeps readers up-to-date on current issues, new research, useful products and services plus employment opportunities.
- **E-News:** A bi-monthly, online newsletter highlighting the most recent and relevant EH and NEHA news is delivered to your email.
- **Discounts:** On all five different credential programs, products and services, publications and training materials.
- **Memberships Only Section with Membership Directory**
